

Wet Elite® Femme™

Water Silicone Blended Lubricant™/MC

Have it all with Elite® Femme™ Water Silicone Blended Lubricant. Designed to mimic a woman's natural moisture, Elite Femme Hybrid provides the comfort of a pure water base and the sensual, long lasting silkiness of a silicone. Longer lasting than water-based formulas, reapply this formula less often and keep your hands focused elsewhere.

Features

- ✓ Water-soluble
- ✓ Stain-free and lightweight
- ✓ Odorless, non-sticky, and latex compatible
- ✓ Ideal for foreplay, intercourse, and massage
- ✓ Long lasting
- ✓ Washes away easily with warm water

Ingredients: Propylene Glycol, Water/Eau, Dimethicone, Cyclopentasiloxane, PEG/PPG-18/18 Dimethicone, Caprylhydroxamic Acid, 1,2-Hexanediol, Propanediol, Sodium Polyacrylate, Trideceth-6, Hydroxyethylcellulose.

Usage and tips:

Use as needed to enhance intimacy. Apply a small amount of Wet Elite Femme Water Silicone Lubricant to the area of the body you wish to lubricate; reapply as desired. Compatible with most toys. Easily washes away with warm water. Latex compatible.
