

## **Wet Naturals® Natural Feel Lubricant™**

Designed to enhance a woman's natural moisture, Wet Naturals® is a gentle, light, yet ultra-moisturizing personal lubricant. Recommended for those with sensitive skin, Wet Naturals contains aloe and plant seed oils for a silky feel and sensual glide. This beautifully bare formula is free of sugar, glycerin, glycol, parabens, and gluten. Apply during foreplay and intercourse to quench intimate areas in pure hydration. Wet Naturals can also be used as an erotic massage lotion.

- ✓ Great for sensitive skin
- ✓ Light, ultra-moisturizing
- ✓ Washes away easily with water

Ingredients: Water, PEG-8, Hydroxyethylcellulose, Polysorbate-20, Sodium Benzoate, Diazolidinyl Urea, Triethanolamine, Citric Acid, Carbomer, Tetrasodium EDTA, Aloe Barbadensis Leaf Juice, Citrus Grandis (Grapefruit) Seed Extract, Tocopheryl Acetate (Vitamin E Acetate), Vitis Vinifera (Grape) Seed Extract, Vaccinium Macrocarpon (Cranberry) Fruit Extract, Trifolium Pratense (Clover) Flower Extract, Ascorbic Acid.

### Usage and tips:

Get more out of Wet Naturals by rehydrating the skin as the lubricant starts to dry. Keep a small spray bottle of water next to the bed. A cool mist of water helps to reactivate the lubricant while enhancing foreplay.
