

WET® Warming Desserts®

Baked Goopy Chocolate Chip Cookie Heating Lubricant

Raw cookie dough may be dangerous, but this Baked Goopy Chocolate Chip Cookie Heating Lubricant from WET® Warming Desserts® is safe for consumption anytime, anywhere. Dollop a drop or two onto your partner, then blow on the applied areas to activate a gentle warming effect. Use as needed to supplement your natural moisture and enhance intimacy. Heat up the bedroom with this delectably flavored WET® Warming Desserts® lube.

Features

- ✓ Sugar-free dessert flavor
- ✓ Gentle warming effect with motion
- ✓ Great for massage or use as lubricant
- ✓ Compatible with latex
- ✓ Easily washes with warm water

Ingredients: Glycerin, Flavor/Aroma

Usage and tips:

To use, apply a small amount to the area of the body you wish to lubricate. Gently warms with motion. Blow on applied area to activate warming effect. Reapply as desired. Easily washes with warm water.
