

Wet® Water Based Premium Lubricant™

Wet® Water Based Premium Lubricant™ has been our top selling classic formula for over 25 years. Developed and tested to the highest quality industry standards, this formula is a favorite for those who prefer a more viscous, gel-like lubricant. Doctor recommended, Wet Water Based is odorless, colorless, and latex friendly. This silky smooth lubricant will leave your skin feeling soft and supple.

Features

- ✓ Pure, water base
- ✓ Clean and non-staining
- ✓ Paraben-free
- ✓ Odorless and latex compatible
- ✓ Doctor recommended
- ✓ FDA Accepted Medical Device

Ingredients: Water/EAU, Glycerin, Pentylene Glycol, Cellulose Gum, Potassium Sorbate.

Usage and tips:

Apply Wet Water Based Premium Lubricant to intimate areas before foreplay or intercourse for enhanced intimacy and pleasure. This odorless formula washes away easily with warm water and will not stain sheets.
